

Fox Chapel Girls Tennis

Dear Prospective Tennis Team Member,

The Girls Tennis Season is right around the corner! The reason you are receiving this letter is because you had expressed interest in trying out for Varsity or Junior Varsity tennis. If you intend on trying out for the team, there is some important information you should know before the start of the season.

Prior to the first day of tryouts (August 14th) every player must have completed the proper paperwork to ensure eligibility. **No player is permitted to tryout or practice without first fulfilling this simple requirement.** Please visit <http://www.fcasdathletics.org> and click on the "Register Now" button to complete your athletic registration online via Family ID. Next, download sections 5 & 6 of the Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE) as part of the registration process. Take the CIPPE forms with you to your physical exam to be completed and signed by a medical professional. Once completed, turn in both sections of the CIPPE form to the Athletic Office, which will fulfill your eligibility requirements. Any questions or problems with the process, please contact the Athletic Office directly at 412-967-2420.

The first day of pre-season will be Monday, August 14, 2017. Regardless of the weather we will meet at the high school tennis courts at 8:00am beginning with a team meeting, discuss the tryout process, and begin tryouts. Players should come prepared including appropriate attire for the weather, tennis rackets and a water bottle. **Practice August 14 – 18 will be from 8:00am until 11:00am.**

I look forward to what will be my 9th successful, fun-filled and competitive season of Girls Tennis at Fox Chapel. If you have questions or would like to join the email list to receive updates please feel free to contact me via email at Alexander_Slezak@fcasd.edu.

Best,

Coach Alex Slezak
