## 2018 Induction

The 2018 Fox Chapel Area Sports Hall of Fame Induction was once again a great success. A cloudy early summer Saturday didn't dampen the joyous mood as six Fox Chapel alumni were inducted into the Fox Chapel Area Sports Hall of Fame.

The evening began when Hall of Fame President Ron Frank welcomed the crowd before turning the stage over to emcee Patrick Frank.

Fox Chapel Alumni Dave Borland, Joe O'Donnell, Sarah (Prentiss) Brown, Tim Sasson, Heather (Rice) Alsabagh and Nick Rivett were inducted for their athletic achievements during and after their careers at Fox Chapel.

The ceremony also recognized three scholarship recipients: Caelen Miller for the Fuhrer Family Scholarship, Micah Morris earned the Rich Kriston Memorial Scholarship and Greta Lazzara earned the Ed Boyle Scholarship.

The PIAA champion girls cross country team was recognized for winning the state title. Tennis players Amanda Nord and Charlotte James were honored for WPIAL and PIAA championships in doubles while Robby Shemansky was recognized for his WPIAL singles title.

Thanks to everyone who attended. We hope to see you all back for next year's banquet.

### Did We Miss Someone?

The Fox Chapel Area Sports Hall of Fame is proud of this year's and all of our past inductees. However, each year we get questions about past Fox Chapel Area athletes who have not been inducted.

The answer quite often is that these deserving athletes have not been nominated for consideration.

To nominate an athlete for consideration in the Fox Chapel Area Schools Sports Hall of Fame you need to complete a resume that includes a current address and phone number for the nominee, a list of the nominee's accomplishments as a Fox Chapel Area athlete, and a list of the nominee's significant athletic accomplishments beyond Fox Chapel Area.

When completed the resume should be sent to Jim Perry, Fox Chapel Area Schools Sports Hall of Fame Nominations, PO Box 38124, Pittsburgh, PA 15238.
